Trends, Issues and Debates

Edited by **Andrew Parker, Nick J. Watson** and **John B. White**

This ground-breaking book provides an analysis of the theory and practice of sports chaplaincy in a global context. Written in an accessible style, yet based on academic evidence and theory, the contributors include chaplains and sport psychologists working in elite and amateur sport and those involved in teaching pastoral theology. This much needed overview of chaplaincy provision in sport is the first collection of its kind to bring together leading scholars in sports chaplaincy with a view to providing professional accreditation and training amidst the fast-emerging field of sports theology.
